

CANDIDATE Statement of Intent

I, _____, Candidate for the Confirmation program, do commit to be open to explore my faith more fully this year. I want to seek answers to questions that I have about my Catholic faith. I will cooperate with my small group leader by being prepared for class and taking a participating role in Sunday Mass each week. I commit to enrolling into this program in order to discern whether I'm ready to be a Confirmed Catholic in the Spring. I am open to sharing with my parents and Sponsor my thoughts, feelings and questions about this journey.

PARENT Statement of Intent

I, _____, parent of _____, do commit to share my own faith experience with you, my son/daughter this year. I will gladly discuss what you are learning in your Confirmation sessions. I will help in any way that I can to understand and support the ways that you are trying to integrate what you are learning about our faith into your everyday life. Attending Sunday Mass as a family is important and I commit to making that a priority. I want to continue to support you in your faith journey; which means at times I may bug you about being prepared for your class and calling your sponsor. Ask me for help at any time, I am here for you.
