Family Formation Newsletter for September 14, 2022

Thanks to all of our families who attended the Family Formation meeting and meet the teachers event last Sunday, September 11! What a wonderful kick-off to our formation year! This year's formation year will center around the theme of building Relationship: relationship with God, with our family, with the greater community.

As mentioned at the parent meeting, in an attempt to limit the amount of emails sent to our families, a comprehensive Family formation newsletter will be sent to all households each Wednesday. This Newsletter will include important formational information and upcoming formation opportunities for **each** of our age groups from pk-adulthood. Please be sure to scan through this newsletter each week to receive important information and use important links related to your family.
