

--- we are no longer asking for masks to be worn in church (although each individual may choose to do so, if they wish)

--- congregational singing at Masses will be resumed and Music Ministry ensembles will begin rehearsals for a return to ministry

--- the Parish Life Commission will resume planning social opportunities to support and cultivate the relationships we share as a community of faith

--- several pews in each of the side transepts remain "distanced" for those who may wish a bit more space while in church

Thanks so much to everyone for your patience and cooperation in our efforts to manage as safely as possible what has been a most difficult period of time for us all! Everyone is encouraged to continue to follow health "best practices" and to remain respectful of the choices that each individual will carefully make. While we will continue to make use of livestreaming our Masses for those who are ill and vulnerable, we also encourage everyone to join us again for worship "in-person" - to experience fully the blessing of the presence of the Risen Jesus in each other, in the proclamation of the Word of God and in the Eucharistic Body and Blood of Christ!
